“ *DeTra and Tracey, We are so sorry to hear of the passing of your Father and friend. Know that our thoughts and prayers are always with you. As mere humans we wish we could help heal your pain but we can do nothing. God will heal the pain in his time. He (God) may not come when we want him or think he should but He is always on time.*

Blessings,

“ DeTra & Ms. Cunningham,

You have my deepest sympathies.

There are no words that I can say or write that can take away your pain. But I will pray that as time continues at its steady pace, your pain will become less intense each day.

Love you both,

“ We are never prepared for the lost of a loved one, but God is always prepared to help us through that loss.
May His presence begin the healing in your heart and soul, and may His love surround you with the comfort only He can give.
Sorry that I can not be there with the family at this time but I will keep you in my prayers.
Love to all ...Cecelia & Family##imported-begin##Sandra (Cecelia) Massenburg##imported-end##
