“ *To the Smiley Family: I am sorry for your loss. There are never the right words to express how deeply sad I am that you have to endure your loss. James will be truly missed by everyone who knew him no matter where they crossed his path in life. Friends like James are few in life and it is with a heavy heart that I also grieve with your loss. His friendship meant the world to me, and I could not have asked for a more genuine friend than James. Memories of our times together regardless of where we were or what we were doing will be forever held dear to me. May your memories bring you comfort in the days ahead, and remember God can never give you more than you can handle. My sincere thoughts and prayers are with you.
