“ *Hi Sis, we love you and our prays are with you and the family. We wish we could be there with you, but we are with you in spirit. God is with you! The same God that guided his son through death and back to life said he will never leave us or forsake us. He is right there with you, perhaps even more in times of crisis than any other time. Stay strong my sister. There is a light at the end of the tunnel. Love your Brother John & Roz, Demika & Tamera###imported-begin###John Luster & Family###imported-end###*
