“ *Jay,
I truly cannot believe your gone, so suddenly, so senselessly. Just knowing that I will never see you again or hear your strong deep soulful voice is just too crazy for me comprehend. Why does God take all of the good soldiers?
I will truly miss all the times we shared together as friends! Its like we were just talking and laughing about how funny life is one minute, and literally you were gone the next!
I want to say so much more but I am at a lost for words over the lost of you. I will keep your mom and your family in my prayers, I will also pray that your girl stays strong, and I pray nephew stays strong as well, and I want all of them know that your dear friends share their grief and we also all loved you dearly! You'll be missed but never forgotten. Go and rest my friend, I'll see you later, we all will.
Love you dearly,
