“ *I went, I looked, I saw. You say what? It was Love, lots of Love. A young boy who I knew, grew up to be Loved by hundreds. I can understand why, because when I saw him for the first time there was something in him that made me Love him too. God has called him home to work and show his Love there in Heaven too. Sugar may not be here physically, but he will live on in all the Love he left behind. God be with all that knew his Love##imported-begin##Charlene##imported-end##*

“ Shuga, you were just like a brother to us . We were blessed with two brothers but the Lord saw fit to add you to our family. I will miss the songs you would sing on the front porch every time you were over. I miss your smile and laughter. I know that God has taken you for a reason, so rest in peace my brother. We love you and will miss your presence, but we know that your spirit will always be with us.##imported-begin##Chloris (Red) & Morgan Welch##imported-end##

“ *We grew up like brothers and I will always remember the great times we had as young men. You will always be apart of me and I will remember you always. Brothers share a special bond, even though we weren't related by blood, we shared brotherhood, it is a special bond. Friends may come and go, and relationships may drift apart, but brothers are forever. Though the sun may rise in the east, and set in the west, we will still be brothers. Though the seasons may change, spring, summer, fall and winter, we will still be brothers. And even in death we are still brothers. Farewell my brother I will miss you!##imported-begin##Kevin Smith##imported-end##*
