“ *Dear Liz, Shaun, Ken and Angie, sometimes people don't understand what someone is going through when they lose a love one (especially and father and a husband)! I know what it is to lose a father who was also not well in his last days. I can say with a heavy heart that the funny and loving memories will help you get through this but more important TIME! My prayers are with you more than you know. I've known James for over 20 + years.... Since Angie was born ;) Love you guys!!!*##imported-begin##Deanna Miles (Turnage)##imported-end##
