“ Lord, Thank you for the life of JJ, the one we mourn today. We know that it is only when we turn to you in our grief that we can experience any relief. For in the midst of our pain, you give us a deep abiding peace... a peace that passes understanding... a peace that carries us from this moment into your future. Thank you, Lord, for blessing us with your peace –the only thing that will sustain us through this time of loss and grief. In Jesus' name, I pray, Amen! Keeping the Fulton family in prayer.

“ Fulton Family:

I share in your grief with the loss of your son Jay. I recently seen Jay and as usual we shared small talk and laughter. Jay was a very respectful young man, and always greeted me with a hug. It saddens me that his life was so short. Know that God will take care of you during this difficult time. My prayers will be with you, and I sincerely hope that the pain of his death will soften over time.###imported-begin###Carolyn###imported-end###
