“ *Onza and Family, So sorry to hear of your loss and I will be praying constanly for your healing and peace of mind. One thing I have learned and I will share with you is that, although you hurt, every day, it will get just a little bit easier (so little, you may not always be able to tell, but a little bit, just the same)but over time, you will realize that the sadness will be replaced with warm memories and you will smile again, each time you think of your Son. So do not rush your greif or in anyway stand in the way of letting nature take its course...but I will still be praying for you all, without cease...until well after you are all smiling again. Always your Friend, with much Love, Michelle##imported-begin##Michelle Easterling##imported-end##*

“ To the family, I am sorry for your loss. May you find comfort and strength from God word the Bible. Isaiah 25:8 states that God will swallow up death forever and he will wipe the tears from all faces and death will be no more. This is something that we can look forward to in the near future.###imported-begin##Sierra Sargent###imported-end##
