“ Dear Richardson Family,
My thoughts and prayers are with your family. I am a co-worker of Cherise, as I have called her for many years and know what it is like to loose an A #1 father and husband to my mother. Stay strong in the love and memories of your loved one. God Bless and keep all of you.

“ To Joann, Raymond, Danielle, Rachel and the Richardson Family...

I am praying for you at this time of loss and sadness. There are no words that can ease the sorrow but remembrance keeps loved ones alive in our hearts and minds.

The legacy your father left behind will live on through you and your heirs, as the family shares stories of love, accomplishment, and the many personal and social victories in your fathers life.

Having lost my father (He is still on this Pye website John Fuller) in November, I know how difficult this time is for you.

Clinging to my faith centered around the heavenly father, and great memories of my Dad brought me through this and many other difficult times.

My heart is with you as you remember your father/grandfather, and all the wonderful gifts of guidance and love he gave.

If there is anything I can do for you or the family...

I am available.

Love, Derynda###imported-begin##Derynda Tyus###imported-end##

Your Father was a kind and special man. I remember his quiet ways

“ We all truly loved Joe because he was always so kind, so caring, so
giving and always the same wonderful person. I don't ever
remember him being angry with me or any of my many cousins. I
only remember him buying us whatever we wanted and taking us
everywhere with him. He would take us to church, dinner, the
carnival- anywhere to make sure that we had fun. Family was so
important to him and he left that legacy without actually talking
about it, he showed everyone by example. I will miss him and
please know that he touched many lives each day. Much love and
sympathy.
