“ *Dad regardless of the fact that your time on earth was cut short, I wasn't able to spend more time with you that both of us would have liked to. Dad I miss not being able to pick up the phone and hear your voice. Dad I was greatful for the fact we were able to communicate and getting to know each other on a personal level. Dad thank you for allowing it to happen and also telling me about the wonderful times you and mom had together. My sister Elaine and brothers John, Curtis and Anthony will always have a special place in our hearts for you. I know "GOD" has prepared a room for you in heaven that is why he called you home.
