“ I am an old friend of John Tpton. John was a frequent visitor to our family home on Baldwin Street in Detroit when he and his family lived on Canton. I met John at Eastern High School. He was my "big brother" and my whole family loved him. He had a beautiful singing voice and he and I had a little singing group. John loved sports and was hoping to get a scholarship after graduation from high school to attend college. After that dream never materialized he joined and Air Force and played basketball with the team stationed at Wurtsmith Airforce Base. The team would often play against Selfridge Air Force Base, and he would bring the whole team to our home. We would have parties at our house every weekend with my friends and guys from the base. Those are days that are in my memorybank that I will never forget. John and I lost contact many years ago, and for the last 3 months he had been constantly on my mind. I tried (in vain) to contact him, and when I finally was able to get in touch with his former wife Delores, she informed me that Tip had passed away two weeks prior to my contacting her. I was shocked and hurt to learn of his passing without speaking with him. May he rest in peace.##imported-begin##Anita Mason##imported-end##

“ I would like to offer my condolences to Mrs. Tipton, Mr. John Tipton Jr. and the entire Tipton family. It was an honor and great pleasure to work with Mr. John Tipton Sr. It was God's blessing given to me to have worked so close with such an amazing person. John's morning greetings brightened the day when he started by saying "Good Moring Troops". He was and will always be John #1, he was the Big Brother I never had and I was very fortunate to have met such a wonderful co-worker who loved life and God. John may be gone but he will not be forgotten" All who seek the Lord Shall praise Him and their hearts shall live forever and ever". I dedicate these consoling Words from the Heart of Jesus to my Big Brother John and the Tipton family. On the night before Jesus died, He said: In my Father's house there are many dwelling places... If I go and prepare a place for you, I will come back again and take you to Myself, so that where I am you also may be... Peace I leave with you; My peace I give to you..Do not let your hearts be troubled or afraid. (John 14)###imported-begin##Juliet Mansour###imported-end##

“ *Kamilah, Edward and I want you and your family to know how much we love you. We are praying for you through this difficult time and for years to come. We miss John so much, but, we realize, God needed an awesome Praise Worshipper with Him, to lead the Angelic Choir in song! We can hear John saying, "Come On Saints, Give God Some Praise, because He has been So Good to Us! Come On, Let's Praise the Lord!" We are just a prayer and a phone call away! Trust God Always!
He Is Able more than able to hold you through your pain! "Joy will come in the morning!"
With Much,
Your Brother & Sista,

“ *I would like to offer my Condolences to the Tipton Family. Mr Tipton was the sweetest man and I really enjoyed working with him. I got to know him better working with him in redemptions. I enjoyed seeing him daily and every time i did he would put a smile on my face. He called himself John #1 and that is the truth. He was a great person and made work life more fun. I am sorry to hear of such a loss for your family. Tip #2 my heart goes out to you. We were all very blessed to work with your father. “ I can remember when I was in the kindergarten and you came to Detroit to get Sheila and I, You came to my class clothed in all blue and you told my class that I was moving to Hawaii, how happy I was to go, but after that long and tireson train and airplane ride I told you to take me back to grandma Perry's house. I never forgot that you were a part of my life,you will always be in my memories.##imported-begin##Sherry##imported-end##

“ I would like to offer my Condolences to the Tipton Family. May God Continue to Comfort You and Wrap His Arms Around You! John was like a Big Brother to me, I would call him " Sweet John ", and he would call me Sis! I had the pleasure of working along side with John for many years at Chrysler Financial-Special Teams department, before I resigned and relocated to the Carolinas in June, 2009! When thinking of John these words come to me:
May the works (I've done) speak for me.

When I'm resting in my grave,
there's nothing more to be said;
may the works (the works I've done)
let it speak for me, (for me).

May the life I live speak for me.
May the life (I live) speak for me.
When I'm resting in my grave,
there's nothing more to be said;
may the life (the life I live)
let it speak for me, (for me).

I can Truly say John truly loved and lived his life to the fullest, loving his wife " Brown Sugar ", children and family, church family, work family and friends!

You were truly a "TrailBlazer"!

You may be gone, but you will never be forgotten!

God Bless!

“ *Dear "little Mr. JT" and family,*

Remembering back to the conversations I had with "big Mr JT" my heart is glad because a lot of them included us talking about God, so that lets me know that his soul was anchored in the Lord. To be absent from the body is to be present with the Lord. Earth has no sorrow that Heaven cannot heal. Know that I love you and am praying for your family. Big Mr. JT was a big part of the Troy Contact Center and I will always remember that big, bright smile. Look to God for continued strength
