“ *I just want to let everyone know that my father was a strong and loving father. He took care of his family and never bothered anyone. It was hard to see my father struggle over the past 2 years, but we got closer. He will be greatly missed, loved, but never forgotten. I try to think of the good times to get me through this and find myself still talking to him. To momma and Meka; we will be okay. We have lots of support and people that love us. HE IS IN A BETTER PLACE.##imported-begin##Sheila##imported-end##*

“ *Bette, Shelia and Meka, even through this difficult time in your lives know that God is with each of you. I will miss Johnny just as much as you all will. I cannot count the times I would ride down Mansfield on my way to mama house and see Johnny either on the porch, outside or passing him on the street and I would wave. My prayers are with each of you and know that I am just a phone call away if there is anything u need. I love yall dearly and will miss Johnny dearly.
