“ Johnny was a pateint with the BMT program @ UofM for years. It was always a pleasure to see him when he came in. I would hear his voice back at my desk from the front desk, and have to go out and get my hug and see how he was doing. He always was looking at things from the brighter side. He told us on many occasions how proud he was of his sweet wife and children. We will miss him dearly. I will keep all of you in my thoughts and prayers.##imported-begin##Erica Muirhead##imported-end##
