“ *The passing of a dad is so very hard to take. His memory will forever be a source of comfort now, and knowing that he is at peace and rest will comfort me as well. Many men are fathers, but less than that are dads; it takes a special kind of man to know this to be true. My father was one of those who really truly did.*

“ John,
I can't believe this is happening. I can't believe you are gone. My heart is so heavy and I know I need to be strong. You loved us all and we loved you. I am going to miss you not being here. You were in my thoughts daily. We didn't talk everyday but, I always asked Mom if she heard or taughed to you. I love you John, I really, really do. May you rest in peace along side your best friend and daddy. Your sister, Mandy##imported-begin##Mandy Belcher##imported-end##

“ *So sorry we can not be there in your time of need. John shared a part of our lives that no one could ever replace we will miss him . Our prayers go out to the family, Though we try to prepare, we are never prepared enough, but there is a compassionate God in heaven who sees, who cares, who comforts. May you feel God's presence as you grieve the loss of your John.*
