“ *Dear Derynda & William*

*I am sorry about your the loss of your father. As you know I just lost my father and I guess we have to look at the fact we had our fathers for a good while. There are so many fathers who do not live as long as ours. So we are blessed. This is what I keep telling myself, because I wanted my father to stay here forever. God needed these two special angels back. They are both healthy and happy, with no more suffering. We will see them again one day if we continue to walk with GOD. Keep me in your prayers and I will keep you in mine. Also thank you for all your support.*

*Love you,*

May the Lord comfort all those who were touched by the life of Uncle John. Even though Uncle John is absent from his body, he is present with the Lord. May God bless us all.*
