“ *It is always very difficult when we lose someone close to us. But life is not a guarantee, but a gift from GOD... We must tell our loved ones each and every day that we love them, because it may be too late one day. I know that your loved one is resting and at peace now. He is looking down at us with a smile, watching over us... My condolence to you and your family...##imported-begin##Dawn Lynn Moore##imported-end##*
