“ *On Friday January the 11th, Lori Edwards called me to tell me about Kasseem, and I nearly lost my mind. This was a young man who was loved by all that he encountered. Both Lori Edwards and I worked with him at Noble School in detroit where he was employed as a co-op student some years ago. His mother and other loved ones should know that he was a young man of strong character and will be missed by many. My prayers are always with you. G. Simpson Southeastern High School*
