“ *Dearest Family, & Our Darling Cousin*

Ray. Ray it is truly hard to express what one feels when you lose someone dear and near to you. You were just in Akron at my Father's funeral in October

In fact we were all at Aunt Mable's Funeral on Saturday in Michigan and in Akron on that Monday for my Father's Funeral. God knows we have had some heart aches, but now you're gone. You were my strength when I lost my Father.

You & I talked in detail about your illness, one thing you told me. I'm not afraid, I remember saying, but Ray what can we do? You said Nothing, And I'm okay with that, and you smiled and hugged me really tight. I find myself wondering at that moment what was your most inner thought or prayer at that time. You seemed so strong and at ease

But knowing the person you were Ray, I know you had everything under control. We will never forget all the fun times

we had when you, JT, Snow, Charles & Snownetta would come to Akron in the summer and spend the weekend with us. We would have such great times. Cookouts, and just being together meant so much.....We will treasure those times forever. Also our children, they loved to watch Ray Ray as they called you. You would have those kids laughing so hard. You were quite the comedian. They really thought you were a comedian. And you were our own person one. Remember Ray

God is Amazing & always will be. We want to say good bye my favorite cousin, we will say until we meet again.

May You R.I.P.

ALL OUR LOVE FOREVER & FOREVER###imported-begin###Preston & Alison (Neloms) Family###imported-end###

“ Dear Regina,

I definitely can relate to how you feel right now. I sat where you are sitting about this time last year. It was nobody but God that got me through that most difficult time. He carried me and I know he will do the same for you. I'm praying for you and your family, that God will uphold you and give you the strength you need to make it through. He has it all under control, just trust him to mend your heart and give you joy in the midst of your sorrow.
