“ *Ken,*

*I am so honored that you were a part of my life. I remembered the first time we made a connection as friends; and 16 years later we may have been out of touch but you have never been out of mind.*

*I hope your family knows that your presence has been impactful; and I know that our brief journey will reside every time I hear a song, travel to DC, think of HBCU's, come back to Detroit, or just think about my appreciation of friendship and brotherhood.*

*I love you, I will miss you, I will cherish you and I will thank God for you. Be! Jonathan D. Simmons & Family, Akron, Ohio.###imported-begin##Jonathan D. Simmons###imported-end##*

“ I am proud to have pledged Alpha Phi Alpha along side Ken. He was truly one of God's gifted people. I regret that I was not aware of his illness, but am happy to know that he was around loving family. He is definitely in a better place. Peace to all. “ Greg, it's tough losing such a young and caring person. I enjoyed every opportunity I had to share life with you. You were always a source of light during the many difficult times our family endured. Verily, verily I say that you are in a better place. One that our wildest imaginations can't comprehend.

Monica & family - It has been a tough road for you. And you continued to grow stronger each day. God has many rewards for you. I pray that you will be comforted by God's presence, Greg's memories, family and friends.##imported-begin##Rashid Bell##imported-end##

“ On behalf of all of Kenny's classmates and friends from Detroit Central High School and Howard University, we offer our heart-felt condolence to the entire Henley Family. There was no person more kind, more positive, and more generous than Ken. Although his physical presence will certainly be missed, his spirit will forever live with all of us. May our dear brother rest in peace.##imported-begin##Terry Adams##imported-end##
