“ *It was a month ago today...Who would've know that you'd have to go so suddenly so fast how could it be that sweet memories would be all that we have left.. Now that your gone every day I go on but life just not the same I feel so empty inside and my tears I can't hide but I'll try to face the pain ...There were so many things that we could have shared if time was on our side now that your gone I can still feel you near so I'll smile with every tear I cry because we were the closest of cousins I'm waiting for the day until I see you again.. Although I'm missing you I'll find a way to get through living without you, you were my cousin,my brother my friend my strength and my pride only god knows why...We are ALL missing you...##imported-begin##Lisa Smith##imported-end##*

“ *Your loss is shared by many who care. The words to ease your pain can only come from the bible. Matthew 11:28-30, Jesus says, "Come to me all you who are loaded down . . . I will refresh you". 2 Corinthians 1:3, 4 Jehovah is the God of all comfort, who will comfort us in all our tribulation. God is "near to those that are broken at heart; and those who are crushed in spirit he saves." (Psalm 34; 18) Please throw your burden, upon him, because he cares for you. Draw comfort in the resurrection hope. Revelations 21:3,-5 Isaiah 26:19, Proverbs 3:5-7.##imported-begin##Liz##imported-end##*

“ June~ My entire life you have ALWAYS looked out for me and taken care of me you were my big cousin my protector my best friend and I will NEVER forget all that you have taught me you taught me to ride a bike even though you pushed me into a tree,you taught me to drive, you taught me courage, to be strong and fight and no matter what you were ALWAYS there to fight for me now it is my turn to fight for you and I will not lose the gloves are on.... On July 29,2010 OUR family was rocked to the core people really have no idea the pain we are all dealing with but like the Phoenix from the ashes we will rise and you know I will be the one leading the charge!! They took your life but they can't take away the love,laughter and the happiness you brought to all of us if I live to be 100 years old I have your memories and your love each day to last a lifetime...##imported-begin##Lisa Padgett-Smith##imported-end##

“ *What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch, we may not understand why you left this earth so soon, or why you left before we were ready to say good-bye, but little by little, we begin to remember not just that you died, but that you lived. And that your life gave us memories too beautiful to forget.##imported-begin##VeLora Holt##imported-end##*

“ June,

I am still in utter shock and completely numb by your sudden passing. I would have never thought you would leave us so soon. You were supposed to be around forever to "irk" me but God obviously had other plans for you which should be questioned by no one.

I will forever hold on to all the memories that are dear to my heart.

R.I.Paradise

God Bless all those that loved you!!

Love Always,
