“ Dearest Cindy,

*From one "daddy's girl to another", I know what you must be feeling to have lost the most special man in your life.  
But remember, as you said to me, he is no longer in pain, and that gives you the most comfort. You did not want him to suffer. Cherish the good times, the special memories you have of your father. Some of your days ahead will be tougher than others, but rely on the Word and lean on family & friends who care about you. We Love You.*

“ God looked around his Garden and found an empty place. He then looked down upon his earth and saw your loving face. He put his arms around you and lifted you to rest. His Garden must be beautiful, he always takes the best. He knew that you were suffering, he knew you were in pain. And knew that you would never get well on earth again. He saw your path was difficult, he closed you tired eyes, He whispered to you "Peace be Thine" and gave you wings to fly. When we saw you sleeping so calm and free of pain, We would not wish you back to earth to suffer once again. You've left us precious mories, your love will be our guide, You live on through your children, you're always by our side. It broke our hearts to lose you, but you did not go alone. For part of us went with you on the day God called you home.

Family keep this close to you for God wanted him home. I continue to pray for you.
