“ *Kirk, it has been along time since I saw you. Not knowing that would be my final time. Since we first met in 1990 in Germany. Finding out we were both from Detroit, lived down the street from one another and liking the same girl! That instant we were friends. I have nothing but great memories of you my Desert Storm buddy. Sorry it took so long for me to find you again. To the family, Kirk was a one of a kind good friend. He is missed. May God be with you. Rest in Power 🙏*

“ Family,

So sorry for your loss. Along with fond memories of Kirk may you also take comfort in the Bible's promise of the resurrection. Acts 24:15 says"... there will be a resurrection of both the righteous and the unrighteous."

“ *I cannot believe that someone so young and so full of life can be taken away from us. I worked with Kirk at LCFS and stayed in touch with him long after I left. To Kirk's family - you are all in my prayers and I hope that you can find strength during this terrible time. To Kirk - I will miss you more than words can say and so will Courtney. We both love you very much - this is not goodbye because we will see each other again later.##imported-begin##Vickie Harness##imported-end##*

“ *To the Family of my Friend and Former Co-Worker, Kirk Jackson,*

May the peace that only God the Father can provide be you and your family at this time. I know that His glorious peace and love will see you through, just as He saw me and my family through the sudden loss of my dear son, Anthony, age 25, last year. God will surely see you through. Just trust Him.

Kirk was a wonderful, big hearted person who worked so hard. We worked together at LCFS for several years, and he strived for "his" kids, and their families. I remember sitting in during his role-play portion of his interview...I played the mother. Kirk came in and was sweating :-) but it wasn't because of nerves because he was confident, strong, and his personality shown through without question. Kim Morton selected him right away. We all saw his "heart"! It was my great pleasure to have known Kirk.

God bless you and keep you in His divine care.

Love & Peace,

“ To the family,
Wherever life takes you be happy,
Life is brief and very fragile and only loaned to us for awhile. Wake up every morning with the thought that something good is about to happen and take one day at a time. Knowing God is watching.
Stay strong in the Lord##imported-begin##Ronald & Shirley Hopkins Sr##imported-end##

“ My God, My God:

I was a co-worker of Kirk's at LCFS, and have very fond and funny memories of Kirk. He always made me laugh even when I didn't feel like it. He brightened even my darkest days. Know that Kirk is in a better place, and I humbly offer the family my sincere condolences. May God forever Bless and Keep You In His Care.

“ *I met Kirk when we both worked for Lutheran Child and Family Services. I am ashamed to admit that Kirk and I lost contact several months after he left the agency. He was a hardworker and a joy to be around. He could always make me and anyone around him smile. He truly 'lived' life. I always admired that about him. Kirk truly was a beautiful person and I know he will be missed by all whose lives he's touched.##imported-begin##Kimberly M. Scott##imported-end##*
