“ *I am deeply sadden to hear that pooh has passed on. he was a true friend indeed, I have know him for over 18 years now. After time I spoke to him we would talk for hours about everything life, the hood just everything. And we always talked about his son. This is a person whom I will never forget his family with forever be in my prayers. the lord does not give us more then we can handle,for a person to be so greatly loved by so many people I know he had a HALO and that is why god called him home.*
