“ My *love bug* How can I forget the years of 1994-1995. How can I forget the poems and the letters with the scent of nautica cologne I received every day while you were away at jackson state. I remember when I sent for you thanksgiving and you stayed at my mom's. the smiles, the walks, the days and nights we spent either at the basketball courts or at your moms on brace st OR WHERE ever our hearts lead us. I still remember the greenish colored car and of course the silverish one too. How can I forget the many late night phone calls even when we used to work at burger king at the airport. I have just found out of your home going lately and I can't seem to understand why? The only answer I can come up with is "God has a plan for each of us" I know this all too well. I just wanted to say I have always missed your smile and hoped one day we would see each other again. WHO can not remember the day you left for college in the mini van yeah...remember the tears we both shared? Our families must have thought we were crazy; crying and nose running me reaching for you and you reaching for me. I say yes crazy in love that is! I never thought I could meet a person who could keep a smile on my face through thick and thin until I met you. I won't forget our moment in time together for you will always be my *Love BugI'll see you one of these days....May you be blessed as I knew you were from the moment You said hello....I WILL ALWAYS have a place in my heart for only you.....your special Kisha###imported-begin##Kisha Baines###imported-end##

“ Dearest Lamont,

I just learned on May 16th that you had gone to greener pastures. I am so sorry I didn't get a chance to attend your home-going to say good-bye. you were the perfect examples of a young, positive, multi-talented, reliable, well-mannered, good-looking and educated black man. I want to thank you for helping Dana baby sit Kendall, and for the many invitations to your basketball games at Menlo Park CA. Lamont I will never forget the way you turned out my Aunt Theresa's 50th Birthday Day party with those dance moves. Boy you know you can dance. Keith, Kendall and I will never forget you.

“ Dearest Lamont

We were devastated to learn that you had left us. You were such a beautiful person inside and out. You are one of the kindest persons that I have ever met and I feel truly blessed to have known you. We have such fond memories of the holiday's and family events that you participated in with us. Remember the Gumbo at my house for Christmas. You are gone but not forgotten and you will forever live in our hearts. I know we will see you again.

“ Lamont I was really sad to hear of your passing. I wish I could've been there to see your homegoing. It seems like yesterday you were at the gym with us playing one on one with Mayo. If I remember right you got the best of that matchup. It was a pleasure to have you as a member of our family, and I'm going to miss the days where we went to the movies,going to see your basketball games, playing videogames, and having you at all of our family functions.You were one of the male influences in my life that I felt I could look up to.Eventhough you are gone from this life you are in a better place now, and you will never be forgotten. “ *I am shocked and deeply saddened to hear of Lamont's passing. As I think of Lamont, I remember his easy-going manner, easy conversation, and modest grin. I remember that Lamont was always very kind, and was always quick to offer help to others with little or no hesitation. Rest assured that Lamont left on this earth a legacy of kindness. “ Lamont,

I am devastated to hear of your passing. I truly thank God for having known you and having had you in our lives. You were the son, the friend, the mentor, and the brother that everyone who knew you; wanted. You were so special in all of our lives and the most respectful young man I know. They don't make them like you anymore. We are sitting here remembering all of the good times with you here in the San Francisco Bay Area, California. I could write many books on how you touched our lives, from going to Church to barbecues to Thanksgiving and Christmas dinners! I can't put into words how much WE LOVED YOU! You are second to none! You were a gentle soul and the impact you've had in our lives will never be forgotten. When we spoke a couple of months ago you told me that you were coming to see me soon. I was so happy at the prospect of seeing you again but God had other plans. Just like I told you then, I am telling you now. I love you and I know that I will see you again someday.

“ Dear Lamont,

I was just yesterday that we found out about your passing and I am still trying to wrap my mind around the fact that you are no longer here. I wish we could have been there to celebrate your home-going, but know that your family of the San Francisco Bay Area in California is absolutely devastated. You were such a bright star in our lives during your time here in California with our family and your presence is sorely missed.

It seems like yesterday that you were getting your groove-on c-walking in our living room! Remember our “carpool” days commuting from Vallejo to San Francisco and I gave that guy new to carpooling his “carpool” story? LOL I can so vividly picture the many holiday celebrations you spent with us. Thank you being our “guinea pig” taster, as we perfected our Thanksgiving dinners and for commenting on how each year the dinner got better and better! Remember that basketball show-off that you had with Big Maiyio and all of the family came out to watch and to cheer you on as you got the best of him?

Thank you for the many kind things you did for me personally like helping me to paint the garage for Maiyio Joshua’s second birthday party, mowing the lawn, or helping us clear out the back yard. These are just a small examples of your generosity but huge examples of the gentleman that you were. You were so family-oriented and we knew that we could always count on you. You were the best brother-in-law that anyone could ever have.

BBQ for the 4th of July, family functions, Menlo basketball games, Church on Sunday...There are so many stories and wonderful memories that we have of you and will carry in our hearts forever. God has a bigger plan for you we know, but guess what? You are the lucky one because you are now that millionaire you always said you were going to be, so rich with God’s grace and love!

Maiyio Joshua and Chaiyia don't remember you well but cried for you because they did not get to say good-bye to Uncle Lamont. But as we looked up at the stars last night Maiyio Joshua saw a star shining brightly and said "Mommy that star shining brightly up there is Lamont and when he gets closer to the moon, he is getting closer to God". He is so right.

Your bright light, though dimmed for us, is shining brightly in Heaven making folks up there smile like you made us smile down here. Though our hearts are heavy we know that you are in the best possible place. My prayers go out to your mother, father, brothers and sister. Until we meet again brother.
