“ My condolences to the family of the late, great Larry King. He was one of the best presidents local 235 had during my 15 year employment with AAM. Larry made a statement before his exit off Holbrook that will always be etched in my mind. He said, "I came here on a bus, but I'm leaving in a 'vet." To me somehow, that statement sums up his life and the legacy that he leaves. Larry was more than a union brother, he was a mentor and a stand tall, stand strong black man. Thanks Larry for being that example. --Adam R. Mundy Sr.##imported-begin##Adam R. Mundy Sr.##imported-end##

“ *May your hearts be comforted during this difficult time. Our heavenly father Jehovah never intended us to live a short while and die. He put everlasting life in front of our first parents and now us. Rely on Him for comfort. The resurrection hope is very near. Revelations 21:3-5 tells us that soon we will mourn no more and death will be a thing of the past. Meditate on the happier time you shared together. Until then may you receive the comfort and prayers you need to endure the loss of Larry##imported-begin##Liz##imported-end##*
