“ *My Buddy. For every tear that I shed I have a laugh of yours to go with it. You are, and always will be my brother. Eventhough I didn't see or talk with you everyday you were my friend. We were close at heart. I remember you use to bring my mom cookies when we first met you. Lol, that was way back in the day. I can hear your loud crazy laugh as I write this. Big Salle you were truly my buddy.##imported-begin##Toni##imported-end##*

“ LaSalle, there's not enough words to say we all will miss you so much. There's no one that could make you smile, laugh, or party like you.

I'll miss you. God bless your family and you children, I love you brother-in law.##imported-begin##CARLA MOSLEY AND FAMILY##imported-end##

“ LaSalle Brookins, known to me through your dad [Mr. Russell Brookins]. I gained a lot of respect for you. You were always okay with me! To know you is to like you, for the person you were. Never an unkind word did I hear from you, you were always the same. The love and care you showed your family was commendable. LaSalle, it is a privilege to have known you. You made this world a better place by being in it. Indeed, you will be missed.

With sincerity - Ms. Bettie J. Davis##imported-begin##Ms. Bettie J. Davis##imported-end##

“ My only son, LaSalle-you are the son that every man wish he had. You made me so proud of you, I think of you being a little boy my heart would swell with pride. As I watched you grow into the person you became, your determination was apparent. You reached your goals in life, you had a good life. I look at so many pictures of you and I together. My son, you were like a million sons to me. To you, I was always “Pops!” And to me you were and will always be MY loving son!

My son, now your work upon this earth is done and you will once again, see your mom - Tell her that we love her and miss her every day. Now my son, we will miss you so much but one day, we will see you and her once again. Until then, 'later! Pops -
