“ I remember many happy occasions with cousin Lavonne. He was always a very cheerful kind of guy. I was surprised to hear of his passing because he attended our family reunion in Detroit in August, however, he did mention a health problem. He was just as chipper as always.

My prayers are with his family, especially his son and daughter, as we remember these words from the Apostle Paul:
NRS 2 Corinthians 5:1 For we know that if the earthly tent we live in is destroyed, we have a building from God, a house not made with hands, eternal in the heavens.

May God comfort you during these difficult days.
