“ *To the family of my dear friend my name is sheila smith whittington i worked with lawrence and we ate lunch with our friends just about everyday at tyson foods . We would share stories in the break room and i worked hr for 22 years and would help him with his paperwork and get it right for him he use to tell me i knew you would take care of it for me. And i would when it was something about his money he trusted only me at work. He was such a good guy and could sing as we sit around for lunch i would say give us a few bars and he didnt mind . At all what ever he could do for people he would. I will loss him dearly. Prayers for the family wish i could roll out from texas and be there but i will be there in spirit. God bless*

“ Kiki,
We can know that God will listen
When we just want to talk
And when we feel we need to cry
We can share it with the Lord

For He is always waiting there
Ready with arms open wide
As we pour out the hurt within
He pours out His love inside

We are always there for you. May God bless you and your family during this time of sorrow.
