“ *Hello, Mary.*

Thinking about you and praying for you and your BEAUTIFUL family! The genuine love shown toward, and the sentiments spoken of your nephew truly blessed me. His was obviously an indelible impression that will forever be in all of your hearts...

May the presence and peace of God be with you, and the comfort that only the Holy Spirit can provide. In Jesus' Name... Amen!!

“ *My prayers are with you in this time of loss. Stay in prayer and God will help ease the pain. I was a former classmate of Lawrence from Cass. I could not go through out the day and not pay my respects to the family. Please take care. Love Tamiko Weary.###imported-begin## Tamiko Weary###imported-end##*

“ I met Lawrence as I was attending Alcorn State University. He was great friends with my brother Preston who attended Jackson State University. He always treated me like a little brother and always had my best interest in mind. He will be missed. “ I’m in total disbelief that you are gone and I don’t know how to soothe the heartache that I’m feeling. We had a lot of good times together and I know that those memories will be forever etched in my heart. I know that the depth of our relationship and friendship was strange to an outsider but you know that you always held a special part in my life. I will always love you Lawrence. You were my best friend and I miss you so much but I find comfort in knowing that you are in a better place where there is no more pain. That’s the only thing that brings comfort to me when I can’t stop the tears from falling. I love you and miss you. RIP Lawrence. Your girl,
