“ *To My Cousins Lenny, Stevie and Kya: We all have Different journeys, Different paths along the way, We all were meant to learn some things - But never meant to stay.... Please accept my heartfelt sympathy in the loss of your Dad (Uncle Len). I truly know the place you are in right now, but try to remember the "good" times. How fortunate you were to have a "real" Dad who loved and cared for you unconditionally. Keep those feelings near and dear and allow God's Grace to comfort you. Love you with all my heart and soul. “ Dear Hardwick/Epson Family,

My deepest sympathy to you all during this difficult time. I wish I didn't have to say I know how you feel, but unfortunately I do. I will continue to keep you all lifted in prayer, take it one day at a time. When in Sorrow read John 14: 1-4..... "Let not your heart be troubled; you believe in God, believe also in Me. In My Father's house are many mansions; if it were not so, I would have told you. I go to prepare a place for you. And if I go and prepare a place for you, I will come again and receive you to Myself; that where I am, there you may be also. I LOVE YOU ALL!
