Your favorite sport was to squash all of your grand children. I use to love to ride in your car, and go over your house because you were never mean to us. Grandad you will be in all of our prayers. “ *A brief candle; both ends burning
A endless smile; a bus wheel turning
A person to share the lonesome times
A hug and kiss are just devine
So say it loud and let it ring
We are all apart of everything
The future, present, and the past
Fly on proud BIRD
You are free at last*

Uncle Leroy, you and only you can relate to this poem because you always called me a bird. I remember you gave me your parakeet charm and said it was a bird for a bird. Well it's your time to soar and fly with the birds. You will always be loved and forever missed. Love your Niece Raven (blackbird)##imported-begin##Raven Toran##imported-end##

“ Poppa Williams... *I find comfort in knowing that your next conscious moment will be the calling-up by our Lord and Savior Jesus Christ!*

Why? Becuase you were Born Again when you confessed with your mouth that Jesus Christ is Lord and you believed in your heart that God raised him from the dead! I know this to be true; 'cause you told me so...

Love,
