“ *I am sorry to hear of the loss of Leslie. Even though I did not know her personally, my heart was touched, because of her youth.*

Jehovah God did not intend for us to live 20 or 33 years. Jehovah put eternity into our minds.

John 5:28-29 encourages us that there will be a resurrection and the sadness that we suffer today will be a thing of the past and it will not be called to mind.

Revelations 21:3-4 also comforts us; God's tent of protection will be with us and He will wipe out every tear and death will be no more. God is a God that does not lie and we can have comfort by means of his word the bible.

Our first parents Adam & Eve put us in this situation along with Satan the Devil. But, Jesus came to break up the works of the Devil; and the resurrection is one avenue he will use. We can also have comfort in knowing that Jesus remembers all those who have died. And, Leslie will not be forgotten.

I hope you can find comfort and live your life in a way that Jesus will remember you too.
