“ *I am so very sorry to read of your loss. When we suffer a loss we often feel helpless and alone, I know I did. What I found comforting was encouraging words from Jehovah found at Revelation 21: 3, 4. For more information on the scriptural hope, please visit: [www.watc

“ *Cuz, it seems like it was just yesterday, when we were children and having family's gatherings. How sad it was to hear that you were gone, but then I thought about it, and knowing that I will see you again, because you have gone home to be with God and I too one day. So I'll just say for now I will see you later. Love you,*
