“ *I want to express deep sympathy to the Merriwether family. Nothing words can say, nothing a friend could do, could make up for the passing of one so dear to you. But it may bring some measure of comfort and relief to know that sympathetic thoughts are with you in your grief. May the comfort of Jehovah and his son Jesus, bring peace to your hearts now and through the days ahead. May your tears of sadness turn to smiles as you remember the times shared with Mr. Merriwether. 2 Corinthians 1:3, 4; Revelations 21:3,-5 Isaiah 26:19, Proverbs 3:5-7.##imported-begin##Liz##imported-end##*

“ To: Madolyn, Lewis, Jr., Brian Merriwether, & Family:

Your loved one has passed on to "Life" after a physical death....because "Life is Eternal, but the expressions of life are ephemeral, momentary, transient. We have stopped for a moment to encounter each other, to meet, to love, to share. This life is a precious moment, but it is transient. It is a little parenthesis in eternity. If we share with caring, lightheartedness, and love, we will create abundance and joy for each other. And then this moment will have been worthwhile." this quote is from the book, The Prophet by Kahlil Gibran

"For what is it to die but to stand bare in the wind and to melt into the sun?

And what is it to cease breathing, but to free the breath from its restless tides, that it may rise and expand and seek our Almighty Creator unencumbered?

Only when you drink from the river of silence shall you indeed sing. And when you have reached the mountain top, then you shall begin to climb.

And when the earth shall claim your limbs, then shall you truly dance."

This quote is from Kahlil Gibran

I hope these words of life's spiritual meaning bring some comfort to your souls at this time of loss.

“ Dear Mrs. Merriweather and family Anthony was more than a Friend to me and my Friends. We pray that you may be comforted by your fondest memories of him and these words from Khalil Gibran: "I have passed a mountain peak and my soul is soaring in the Firmament of complete and unbound freedom; I am far, far away, my companions, and the clouds are Hiding the hills from my eyes. The valleys are becoming flooded with an ocean of silence, and the Hands of oblivion are engulfing the roads and houses; The prairies and fields are disappearing behind a white specter That looks like the spring cloud, yellow as the candlelight and red as the twilight. The songs of the waves and the hymns of the streams are scattered, and the voices of the throngs reduced to silence; And I can hear naught but the music of Eternity In exact harmony with the spirit's desires. I am cloaked in full whiteness; I am in comfort; I am in Peace. Love, "Aunt" Marie Dean###imported-begin##MARIE DEAN###imported-end##
