“ *To the Taylor Family, "Pop's", legacy was the joy and laughter he spread among the people he encountered. He made you feel welcomed and cared for even if you had just met him. You will miss the bedrock of your family, the constant strength, love and wisdom that is your father. We all have lost a God-loving good friend, a kind soul and a man who, by his very being enriched all who knew him. May God hold and keep him and this family in his loving Grace.##imported-begin##Charles Manley##imported-end##*
