“ *Granddad,
Words cannot express the amount of loss I feel right now. I thank you, for holding on as long as you did...so that I could be beside you to hold your hand. I have NOTHING but fond memories of you, and you always made me feel loved and safe-I thank you for that. I know you're in heaven, with my grandmother beside you. Please guide me through the storms of life that are sure to come, and save a spot for me for when I make it home. In Jesus' name, amen. I love you, Granddad.##imported-begin##Emaun E. “ Dear Family: May the God of all comfort be with you during your hour of bereavement. Losing a loved one in death is never easy. (John 11:33-36) However, as you prepare to celebrate the life of your loved one, the lives he touched and the legacy he leaves behind, may you find comfort from the Bible at Isaiah 25:8 where God promises to swallow up death forever, John 5:28,29 where he promises a resurrection to life for our loved ones who have died and Revelation 21:4,5 where our Loving God assures us that mourning, outcry, tears and yes, even death will soon be things of the past. (Titus 1:2) My deepest sympathy to you.##imported-begin##joyce jones##imported-end##

“ *May the hope of Psalms 34:18 bring the Wilson family much comfort during this time, God’s word assures us that he sees the difficulties and hard times that we go through. He will help you and your family in this time of sorrow. We can also look forward to a time when death will be no more (Revelation 21: 3, 4). Taking in accurate knowledge of the living God Jehovah assures us better times ahead.##imported-begin##Ariel##imported-end##*

“ *Thanks dad for the union between you and mom which brought me and my brothers and sisters into this world. I understand that at times it was difficult and that you were not always there. I've never felt that your love was distant. I know that it has always been there. I feel proud to have had you as my dad. My love for you is eternal! I will miss you dad!*

Titled "Inner Peace"

I close my eyes, breathe in deeply and with a long, slow exhale I remember that I am a child of God. I am never alone. I feel the divine connection throughout my body. I feel relief calming any stress I was experiencing. I am at peace.##imported-begin##Luther Wilson Jr. ##imported-end##
