“ To: Mark,

I know that you are surprised to know how much "I" am missing You and all of the things you did to drive me CRAZY. I know that I always teased you about sharing Jonathan, but when it came down to it we did and I am glad that he had you, because you were a TRUE FRIEND to him, and through that friendship, you became a true friend to me. I hope that you are looking down on us, witnessing the outpouring of love we all had for you, you just always made is so hard to love you Mark...are you laughing at us yet?..I imagine you saying "GOTCHA!" But we knew...you Loved us too. Thank You Mark..and God Bless You! Luv, Chelli

To: Mark's Family,

My Prayers for peace are with you, It will be hard right now, it will be hard for a while, but in time, most of your grief will turn into good memories, of times he made you laugh, laugh, laugh! The mention of his name will instantly bring a smile to your face that you will feel throughout your heart. Do not forget about us, Mark's Detroit Family, we will never forget about you!
