“ *TO: Charisse, Eric, Gabby, and Mom*

I know how your heart grieves right now. I only wish I can help lessen the pain by letting you know that it will get easier. Charisse, my spirit has been so grieved every since I saw your face. I remember the pain behind that look. It made my heart sick to know that you have experienced that same kind of loss that turned my world upside down. I know that God will keep you because he is no respecter of persons, and I can truly testify that he has kept me. Just lean not unto your own understanding (you'll never understand). The Holy spirit will comfort you and turn your world right side up again.

I love you all!

Be blessed

“ *Markie was an unbelievable person to me. I watched him change his entire life for the positive. One of the last conversations I remember having with him, he told me he was proud of me, but you know what, Markie, I am so proud of you. I will always have you in my heart "buddy." I have really lost someone dear to me, someone I thought would say good bye to me before I would say good bye to him. I will always love you bro and you will forever remain in my heart! Thank you for showing me kindness, trust and understanding. You Rock, Mark. Love you Always, Bootsy.##imported-begin##Botsy##imported-end##*
