“ *Well cuz, I don't even know if anyone else in the family even knows about this site. I'll miss you so much man, it's already too hard to believe. I remember we used to do everything together. So much that it got to the point where we'd get mad if the other couldn't go. I swear you were my bestfriend man. You were the ONLY person i truly felt i could talk to about absolutely anything in the world. I just don't understand why this had to happen to you. You never deserved this. But at the same time, I'm happy for you. I know you put up a tough long struggle to get through this and you endured so much pain. Your pain is over. I love you man. It was always me and you!
