“ *Mike was a special part of my life. He taught me how to appreciate all things in life, as well as many others whose paths that he has crossed. His heart was open to any challenge, and was the most unselfish man that I have known. If Mike saw someone sad or in pain, he would rub his hands together, in a quick motion, and lay them on the person to take the pain away. Mike gave his all to whatever obstacle came his way. He loved and appreciated everyone, and always kept a smile on his face. My heart may never be as big as his, but I want to take this time to thank GOD for allowing Mike to be a part of my life, and always leading by example. Heaven has received the best angel :-))##imported-begin##Francoise, Jasmine, and Byonca##imported-end##*

“ Mike and I worked together at Ford until he retired. We also attended Henry Ford High School. Mike was always in good spirits and making us laugh. Last week I was wondering how he was doing since the last time I saw him. My prayers and sympathy to his children and mother who I also remember from Ford. I will always remeber his smile.
