“ *I had worked with Mike off and on for years. When our offices moved to van Buren, Mike and I found ourselves sitting next to each other. We shared a lot of stories and had a lot of laughs over the past year and a half. He was a good man with a big heart. I will miss his laugh (and the pretzels).##imported-begin##Daniel Acker##imported-end##*

“ *I knew Mike only a short seven months, but I thought he was a great guy. We recently spoke at length about his travels and his family. He loved life and above all he loved his family.*

Mike will be watching over all of us now that he is with God in Heaven; another one of his Angels.

Joe Ann, God give you the strength to go forward in life with your son and grandbabies; I know He will take care of all of you.##imported-begin##Kathy Kosmyna##imported-end##

“ I will miss Mike. I only got to know Mike for about a year, but I fortunate to have met him. He was alway laughing. He never had a bad word to say about anyone and if he was having any problems , he would talk about it for a moment or two and then make a joke about it. He was kind, honest and fun to be with. We got to spend an afternoon on our boss's boat this summer and it was so much fun. When he was not working he always dressed his best- I called him Puff Grand Daddy, because he had those name brand clothes on. He loved his wife and son and though he was a bit suprised, we knew he loved those grand kids. It was great he got to meet them. We always talked about food!! He loved to eat , and the hotter the better. I told him about Zinc which is near both of our homes. He loved the same steak dinner there that I like. We loved when he would bring in Joanne's BBQ, it is the best !!! I miss that laugh and his walk. He was a good man and I am glad I had a chance to meet him. May God bless your family and know that he is watching you always.
