“ *Dear Glenda and Family,*

We are sending our condolences to you and your family. It was with a great sense of loss when we heard of your father's death. We wanted to let you know that you have our greatest sympathy, and our hearts are truly saddened.

May the God of hope bring you peace and tranquility in your bereavement that the power of the Holy Spirit will remove all bounds to hope. And, we know that his passing will not only leave a void in our lives, but in the hearts of all those who knew him.

Our sincere thoughts and prayers are with you.

With our deepest sympathy,

“ *The word of God says that we need to write the vision and make it plan. My Grandfather did just that. He took his pen of destiny and began to write and write and write. He wrote music that soothed, inspired, uplifted and made you think. He was an artist indeed, a visionary set out to write a story on the hearts of many. He was a mentor, a teacher, a provider, a protector, a husband and a father 4 times over. His vision started with one daughter and spanned out to 7 children and a multitude of grandchildren and greatgrands. My grandfather was destined for greatness and he was taking us along for the ride. His encouragement in my life is what inspired me to write, I wanted to be just like him, strong, gifted and willing to help those who needed help. With great mercy God gave him life, with abundant grace he provided him a way and with great peace he called him home. My grandfather, my love, my hero you will be missed.*

I Love You,

Namie
