“ *The world will be a lonely place with out uncle Nay. I wanted to talk about the time that he talked my Dad into driving to California. Dad would not have ever let him go without him, no matter how old they were. I just loved it when Nay would call asking to speak to "Pony" or "Rowe" even after Dad had passed away. It warmed my heart to know that even in his weakest moments, he still had Dad on his mind! I know that Dad is meeting Nay at the pearly gates with fishing pole in hand! All of you be Blessed and know that Nay, Alberta, Robert and Irene and in a better place, again enjoying each others company!*

*God bless you all!##imported-begin##Nansi Irene Rowe##imported-end##*
