“ *I have started writing this to you so many times. Everything I start to say just never seems right. It's hard to put into words what I feel. It hurts me to look into my husbands eyes and see so much pain that I can do nothing about. I know your heart hurts and if it helps you to cry by all means cry. I know I do. Whenever you want to talk call me I will listen, you want to cry I'll bring the tissue. I love you.. & I got you. Tesha###imported-begin##Tesha###imported-end##*
