“ *My deepest sympathy goes out to the Crockett family. I worked with Crockett for 5 years at the Renaissance Center. He was a great person and co-worker. We have lost one of the best, but heaven has gained another angel.*

He will truly be missed by all of us at the Ren Cen.##imported-begin##Cecelia Dillard##imported-end##

“ *Hello you guys,*

I was unaware of your dad's homegoing, thus I am sending my love now. You two are very special to me and I pray that the peace of God is with your entire family and friends network. Remember, never mourn for those who have gone home to be with God--something God shared with me when my mommy left me...

“ Dante,

My deepest sympathy goes out to you and your family in the loss of your father. Glory to those who believe in the Lord and his word, for they shall have everlasting life. Continue to praise him even in times of sorrow for he knows your pain and is the healer of all. If there is anything I can do for you and your family, please don't hesitate to call. I too went through the loss of a parent in July, my Mom to cancer. Although we knew the end was near nothing can prepare you for something like this. Be strong, keep your faith in the Lord, and he will see you through.

Sincerely,

Trina Howell

“ From Early And Donna Bryant, Our prayers go out to your family. I worked with Crockett at The Ren Center. Remember That Jesus said there is going to be a Resurrection to a new Earth. Jesus tells us at John 5:28,29-Do not Marvel at this, because the hour is coming in which all those in the Memorial tombs will hear his voice and come out. What does that mean for your Family? you have the prospect of being reunited with Dead loved ones under different conditions. Just imagine the joy when you meet your dead loved ones again, to speak to, to walk with, to hug once again. What a beautiful time that will be for us all. My families prayers go out to your family, May you find comfort in the word of our lord and savior Jesus Christ.
