“ *Our daughter's birthday just passed. I cant believe shes 5. I hear shes a handful. But with my genes along with yours, its to be expected. Shes about to start school. I just hope she can focus. As long as she can sit still she will do great. You and i are both very intelligent so i cant wait to see what our princess grows up to be. I wish u were here to see. Please keep her safe. I kno thts all u wanted...miss u so much....chrissy*

“ "When you're gone the pieces of my heart, I'm missing you. When you're gone the face I came to know is missing to. When you're gone the words I need to hear to help me to get me through the day and make it okay... I miss you. " ~Avril Lavigne

“ It is with deep sympathy I write. Oruene was precious in God's eyes, just as we all are. Even though I did not know him personally, your pain has truly touched my heart. The bible is the only place we can find true comfort during this difficult time. Death is something unnatural. In our DNA pattern, Jehovah God put the desire to live and never die. Ecclesiastes 3:11 “God has put eternity into man's heart.” We will see Oruene again. John 5:28-29 "all those in the memorial tombs WILL come out". Jesus not only died for all of us, he suffered. Jesus loved us so much that he wanted to leave his heavenly home, knowing that blood needed to be poured out to save mankind, so we can live. Jesus did this for Oruene too. Revelations 21-3-5; Isaiah 26:19.##imported-begin##Liz##imported-end##

“ To my dearest Arney, this has got to be one of the most roughest times in my life. When we friends, we were the best of friends anybody could ask for. When we were against each other, it was like "Clash of the Titans." Yet, in the end, we still loved each other as if nothing ever happened. We had our good, bad and ugly times, but we always came out of them. In these past couple of months, we were working on re-building our friendship. Everything was going good, real smooth. I was very hopeful and optimistic. Excited. "Maybe this time" was the thought that stayed with me. That speck of hope that I never lost. Now that hope is hope that you are with us in all that we do. I'm sorry and you will always be in our hearts and minds. GOD be with you, babe. And we love you.##imported-begin##Megan and Nevaeh##imported-end##
