“ *My Dear Gwen and Family,*

When you called about the passing of your brother Oscar, we were saddened. We understand your grief because we know how empty our world felt when we received your call. It will be difficult to stop asking "How's Oscar doing?" but I am glad that we had the privilege of knowing him. He was an outstanding person. We shall always remember his kindheartedness.

“ My deepest sympathy to the Weatherby family in the loss of your loved one. May you find comfort in his memories and knowing that he is now with God.

God's Promise

*God never promised
A life without pain,
Laughter without tears
Or sun without rain.
But He did promise
Strength for the day,
Comfort for the tears
And light for the way,
And for all who believe
In His Heaven above
He rewards their faith
In His everlasting love.*
