“ I tried to be an encouragement during your fight. I hoped and  
prayed that you would have victory and be a voice for God giving  
your testimony of healing on earth. So when God called you home, I  
wasn't ready -- what I hoped and prayed for did not happen. Then  
God spoke to me, and said, that I was an encouragement -- and you  
are the voice of God -- as you now have the ultimate relationship  
with Him. He prepared a place for you and called you His own --  
your voice will be heard in hearts of many. I thank God for your life  
and sharing your life with us.###imported-begin##Rosalind

“ *In God's Presence Now*

*He's in God's presence now  
I can see him now taking his bows  
For standing firm and staying true to his vows  
And for following Jesus' Plan  
All of heaven is giving him a hand*

*He's receiving applause and accolades from everyone  
Including the Father and the Son  
For the many wonderful things he's done  
To give happiness to others while on earth  
In the sight of God he's increased his worth*

*He'll never have another worry  
He has achieved victory for living the Godly story  
For praising and giving God the glory  
The angels will sing beautiful songs to him  
And harps will be played by all the cherubim*

*As sad as were are that he is no longer around  
Take heart that he's ascended to a higher ground  
Upon his arrival he received his golden crown  
And he'll live forever where happiness abounds  
So rejoice and be proud that he's in God presence now*
