“ *I am so very sorry to read of your loss. When we suffer a loss we often feel helpless and alone, I know I did. What I found comforting was encouraging words from Jehovah found at Revelation 21: 3, 4. “ To Aunt Georgia & Family,  
Life is full of so many uncertainties yet, it's the few that we are fully aware of that always seem catch us by surprise. We can't say we know how you feel, because we've never lost a child.  
We have had our share of tragedies and from them we've learned that if you just look to God, lean on God and trust in God you will be alright. Your days may be trying at times but God's grace is truly sufficient. We wish we could be there with you and we are praying for you.

“ To the Conerly family,  
I had the pleasure of knowing and working with Percy over 26 years. Our facility was happiest when we were led by him because he truly cared about the people, not the power. Percy was a patient and kind man with a gentle spirit.  
Percy loved Shyanne more than life itself. Most recently he bragged about her singing talent and how extremely proud he was of her. I will miss his infectious laugh that caused his eyes to tear. I pray that God heals your heart, as you hold onto his precious memory.  
Sincerely, Earnie##imported-begin##Earnestine King##imported-end##

“ I had the privilege to work with Percy Conerly at the Pine River Correctional Facility. Percy was an excellent Warden and was loved by all at our facility. He was such a quiet gentle man. He always treated me so kindly and believed in me and my abilities. When I would fill in at the Warden's Office and I thought that he was too quiet, all I had to do was ask about his daughter. Oh how he loved that girl and was so proud of her. I feel honored to have had the privilege to work for such a fine man. He will be greatly missed.##imported-begin##Sally Allison##imported-end##

“ I worked for Percy at Mid Michigan Correctional Facility. He was my boss and friend. He had such a quiet way but yet he saw and understood people and what needed to be done. He was a man of little words but what he did say was to the point and you knew he had thought it out amd cared so much. He trusted his employees and was respected and fair. He was liked by so many and just had that way about him. I will never forget his words of wisdom. The most important thing was that he loved his daughter so much and he knew how important family was. I consider myself very lucky to have known and worked for Percy Conerly and will miss him so. I do know he is in a better place now.##imported-begin##Susan Sprague##imported-end##

*I can't comprehend just how sad you must feel  
For the loss of someone you love.  
This sorrowful time must still feel unreal

That your spirit will gain strength again,

“ I was so sorry to read of the lost of your dear loved one. It seems so unfair that death should have the power to take away someone we love. And when it happens, the thought of never again being able to talk, to laugh with, or hold your loved one can be most difficult to bear. Many are resting now, until their name is called in the “resurrection”. Oh yes, Jesus Christ boldly promised: “The hour is coming in which all those in the memorial tombs will hear his [Jesus’] voice and come out.” (John 5:21, 28, 29) Since Jesus made the promise, it is safe to assume that he is willing and able to do so. His father, Almighty God has promised us at Revelation 21:4, “he will wipe out every tear from their eyes and Death will be no more.....” May you find comfort and faith in these scriptures for he “cannot lie.” (Titus 1:2)###imported-begin###Dorothy Carroll###imported-end##

“ It was my pleasure to know Percy and to work for him at Pine River Correctional Facility. He was simply the best warden I ever worked for. He wanted a good facility where people could be happy to come to work and do their best in as good an environment as possible. Percy was the most humble and fair warden I ever worked with and I was proud to be his friend. My deepest sympathies go out to his family. I last spoke with Percy in February and he was so looking forward to his retirement. I will always have fond memories of the many conversations we had and the bond we shared.###imported-begin###Greg Travis###imported-end##
