“ *There is so much to be said about you Raymond. We are missing you. I wish when I last saw you pull into your driveway we could of had another chat. You were such a mannerable,intelligent (naturally smart),admirable person. I thought I was going to look for you for help but instead maybe I could have been there to help. Thanks for the laughs good conversations, it was a pleasure to know you. Never thought I would say goodbye to a childhood friend so soon. This is a wake up call. You are symbolic to so much at this point in my life. I wish your family strength. miss you Ray-Koren###imported-begin##Koren##imported-end##*

“ My heart goes out to the Ware family. Raymond was a good guy a great worker and someone who deeply cared about the direction of the youth and our African American community. Raymond and I volunteered together in Junior Achievement. I will always remember his enthusiasm, his ability to listen and drive to teach the students the right way. We need more black men like him on the front lines of Black America.##imported-begin##Jason Smith##imported-end##

“ Ray will definitely be missed. I went to middle school with him and we shared some fun times and memories. He was my first boyfriend in middle school and I will never forget how much of a gentleman and friend he was at a young age. I send my sympathy to his family and wife. I know he will be watching down on you and forever in your heart. He will truly be an angel!! God Bless you and your family!!!!
